

## **Melton & District IBC v Birstall Bowls Club**

On Sunday 8th December Melton achieved a convincing victory over the team from Birstall. The final score was 137-69. It was gratifying to see all 6 rinks winning.

The highest score was 31-11. David Pick's team came from 7-10 down at the half-way stage, winning 9 out of the last 10 ends. He was ably supported by team members Carol Pick, Yvonne Kent and Ray Casey.

It is particularly pleasing to hear many unsolicited expressions of appreciation of the friendliness of our players, the convivial atmosphere in which the match was played, and the quality of the meal provided by Medhi and his staff.

The pleasant and smooth-running occasion was due in no small measure to the support given by Deepak with his warm greeting and entertaining speech, and to Carole's calm efficiency in handling the money and other organisational matters.

**Malcolm Lomax**
