

## **CORONA VIRUS – CLUB POLICY**

At an extraordinary meeting at the club on Tuesday 17<sup>th</sup> March the following was decided:

1. All outstanding League matches were cancelled from 10 pm that night. The outstanding games will be declared a draw and one point given to both teams. The leagues will then be decided on the result obtained.
2. All Galas, New & Improvers, organised coaching sessions and other organised open sessions have been cancelled until further notice.
3. A limited number of rinks (4) will be made available each day for members who want a roll-up with other members. Each rink will be allowed up to 4 players. The rinks can be booked (by phone or in person) on the day on a first come, first served basis. All pre-existing social roll-up bookings will be cancelled, so please re-book or you might be disappointed.
4. The above means that the Club building will be open, but with limited bar and restaurant coverage (please check on the day), and you will still be able to come in to renew your membership to earn your £5 discount before 31st March. Please note: if you don't renew and currently have a locker, then you must empty your locker and return the key. Also, if you join later in the year then you will have to pay the full years amount
5. The Club AGM and Presentation evenings have been postponed (probably September). The Disability Mark Award presentation has also been postponed.
6. The Club will review the best advice from the Government agencies each week and further restrictions may have to be applied in future. Please check the Club website for further updates and a more complete report on the current decision.
7. Please spread the news between other members that you have contact details for.
